

Communicating Chartered Status

Message To Chartered Firm's Customers

Taylor Patterson Insurance Services Ltd – Proud To Be Chartered Insurance Brokers

We have recently been awarded the prestigious Chartered Insurance Brokers designation by the Chartered Insurance Institute (CII).

This is the industry's gold standard for firms of insurance brokers. It confirms that we have satisfied rigorous qualification criteria by retaining highly qualified staff who subscribe to the membership conditions of the CII.

It also involves a commitment to continuing professional development and adherence to an industry standard Code of Ethics. You can view the Code at www.cii.co.uk/code.

When you use a Chartered firm you are dealing with proven professionals. The CII is empowered by the Privy Council to award Chartered status, and the award is only made in deserving cases. And while Chartered titles are steeped in history, they remain the benchmark of professional excellence and integrity.

Only the UK's premier insurance broking firms qualify for Chartered status. If you wish to know more about how using a Chartered firm can ensure you get the best possible advice, service and support, please contact us.

Note: With over 93,000 members, the CII is the world's largest professional body dedicated to the insurance, savings and financial services sector.
