

# Taylor Patterson Charity Football Tournament

What an exciting event the charity football tournament on Tuesday 16th June 2009 at Fylde Rugby Club proved to be. There were great goals, good players, large crowds, hot and sunny weather, extra time, a penalty shoot-out, players being sent to the sin bin and even a sending off and this was only the semi-finals and final!

The winner of the event was David Roberts Insurance who beat Hedleys Stockbrokers 4-0 in the final. The losing semi-finalists were Forbes Solicitors and Yorkshire Bank. David Roberts Insurance were worthy winners who won every match in the tournament and did not even concede a single goal in any of their four group matches, the semi-final and final.

At the other end of the scale, Taylor Patterson did not score a goal in the tournament, however we were not the worst team in the event as we scored a single point for a solitary 0-0 draw. There was a team who scored four goals but lost every match!

The event was well attended with players and supporters and everyone had a good time. We raised £488 from the tournament itself and the selling of raffle tickets, on behalf of our nominated charities, North West Air Ambulance and Miles of Smiles. Thank you to the facilities provided by Andy Baker and his staff at Fylde Rugby Club and any persons for their kind donations towards the raffle prizes.

Special thanks goes to the Taylor Patterson Charity Committee for all their hard work in organising and enabling the event to be possible and to Alex and Stephen Jackson who volunteered to be referees (they were on a hiding to nothing in performing such an important responsibility!)

We are hoping this tournament will become an annual charity event and the Taylor Patterson football team hopes to do better next year.
