

Quiz night challenge

Taylor Patterson is welcoming entries to its popular annual quiz night.

The charity quiz – traditionally attended by hundreds of city centre professionals – will this year raise money for the North West Air Ambulance and Miles of Smiles, and will take place on November 4 at the Masonic Hall, Preston.

John Patterson, chief executive, has called on the local business community to support the event.

He said: "Previous years have seen a brilliant turnout at the quiz night, with support from across the city. We hope this year's event will be just as successful."

Teams of four are invited to enter the event, which starts at 6.30pm, for £25 per team. Cheques should be made payable to TPA Staff Charity Account, and those not able to attend can still help by donating a raffle prize or sponsoring a round of the quiz.

For more information contact Taylor Patterson on 01772 555073.
