DUO JOIN TAYLOR PATTERSON

Frank Shaw joined the Corporate Insurance Division in January 2008 and with effect from 1st May 2008 will take up the positions as a Corporate Insurance Adviser.

Frank has more than 15 years experience in the industry, and has particular expertise in both general commercial insurance, as well as directors' and officers' liability and professional indemnity risks and covers.

Robert Cholmondeley, director of Taylor Patterson Insurance Services, said "Frank has impressed everyone with his knowledge and ability and I have no doubt that clients will benefit from Franks new role with the company."

Iwan Probert has joined the Employee Benefits Division as a paraplanner.

Iwan, from Lytham, has particular expertise in investments and pensions, which he acquired during his time working with Questa Financial Services, in Blackpool.

Iwan has a certificate in financial planning and is presently working towards attaining a diploma in personal finance society and only has one examination left to go.

Employee benefits manager, Paul Jackson, considers Iwan's arrival in the company an important asset to the team.

"Iwan's experience and knowledge in investments and pensions will be of great value.

Taylor Patterson is a company that strives to achieve the best possible service for our clients, therefore having the best staff is incredibly important."
