

THE TAYLOR PATTERSON CASH SIPP

The Taylor Patterson Cash SIPP is designed to accept:

- Transfers of members' benefits from other pension arrangements.
- Contributions from members and/or their employers.

All transfers payments and contributions are held on a special SIPP account with Cater Allen Private Bank (part of the Abbey National Group) that carries an attractive rate of interest.

It is, therefore, ideally suited to those who require a cost effective means of consolidating existing benefits and/or building up a fund from contributions in the following situations:

- In the run up to retirement.
- Pending making longer-term decisions to invest in market securities and/or property.

When the member decides to invest in market securities or property, or chooses to draw benefits, it is a simple matter to convert the Cash SIPP to either the Investor or Master SIPP depending upon the facilities the member requires.

Key Features

- Taylor Patterson Associates Ltd is the Provider and Administrator of the SIPP and Taylor Patterson Trustees Ltd is the Professional Trustee.
- The Cash SIPP is an HMRC Registered Pension Scheme.
- The member is a Trustee of this personal SIPP and therefore along with Taylor Patterson Trustees Ltd has control of the assets of the member's SIPP.
- Only cash transfers from existing arrangements and contributions permitted.
- Funds held on a Cater Allen Private SIPP Bank Account.
- When other investment facilities are required or benefits are to be drawn, conversion to the Investor or Master SIPP is simple and straightforward.
